BRANDY CONSTANTINO

TYPE: Spirit **TONE:** Dark yellow, Greenish

DESIGNATION OF ORIGIN: Brandy de Portugal

COUNTRY OF ORIGIN: Portugal

THE WINE

Brandy Constantino is made from high-quality brandies from various origins, selected for their softness and vinic characteristics, as well as for their exceptional tasting limpidity.

TASTING NOTES

Constantino has a dark yellow hue with greenish hints. Its bouquet is powerful, with intense wood of great quality. Notes typical of the noblest brandies, such as spices, are also well in evidence. In the mouth it is very soft, of an almost velvety consistency, and has a very elegant finish.

WINEMAKER: Luís Sottomayor

MATURATION

Brandy Constantino ages for 6 months in large wooden casks. Under official regulations for the Brandy denomination, and so as to achieve a greater ageing effect, several colouring and flavouring food additives are used that improve the brandy's bouquet and flavour.

STORE

The bottle should be kept upright in a place with constant temperature between 10°C-20°C and sheltered from direct light.

SERVE

It should be served chilled or at room temperature between 18°C-20°C. Once open Brandy Constantino keeps its quality for about 6 months.

ENJOY

Traditionally Brandy Constantino is served as a digestif in a Cognac glass. However, it may also be served as a long drink with ice and juice. Its delicious with Coca-Cola and a lemon slice.

TECHNICAL DETAILS

Alcohol: 36% | Total Superior Alcohol: 257 mg / 100ml AA
