

ALHAMBRA RESERVA ROJA

ALHAMBRA RESERVA ROJA

A BEER TO BE ENJOYED SLOWLY

Alhambra Reserva Cerveza Roja is an intense bock beer, to be enjoyed slowly. Such as the nooks of the Alhambra in Granada (South of Spain), this beer is not as it seems. Its secret? The use of a larger quantity of malted barley with various degrees of roasting ins. Hidden under its intensity is a subtlety and delicateness on the palate, full of unexpected details to be discovered.
